WILL NOT DISCUSS RUSSIAN AFFAIRS

But France Will Continue in Genoa Conference in Order to Consider Other Matters.

Paris, May 13 (By the Associated Press).—The French delegation will remain at Genoa to take part in o liberations on other questions proper before the conference, although it will have nothing more to do with discussions with the Russians, it was said at the foreign office this morning. As far as the Russian problem is concerned the conference is considered by the French government at an end.

Disagreement by France and Belgium with other countries regarding the treatment of the soviet delegation is not a reason for drawing out, however, so long as there remain other important questions to discuss, it was declared.

Instructions were sent along these lines to M. Barthou of the French deiegation at Genoa, after the receipt of yesterday's dispatches it was added
